

# SDG LOCALIZATION IMPLEMENTATION STRATEGY

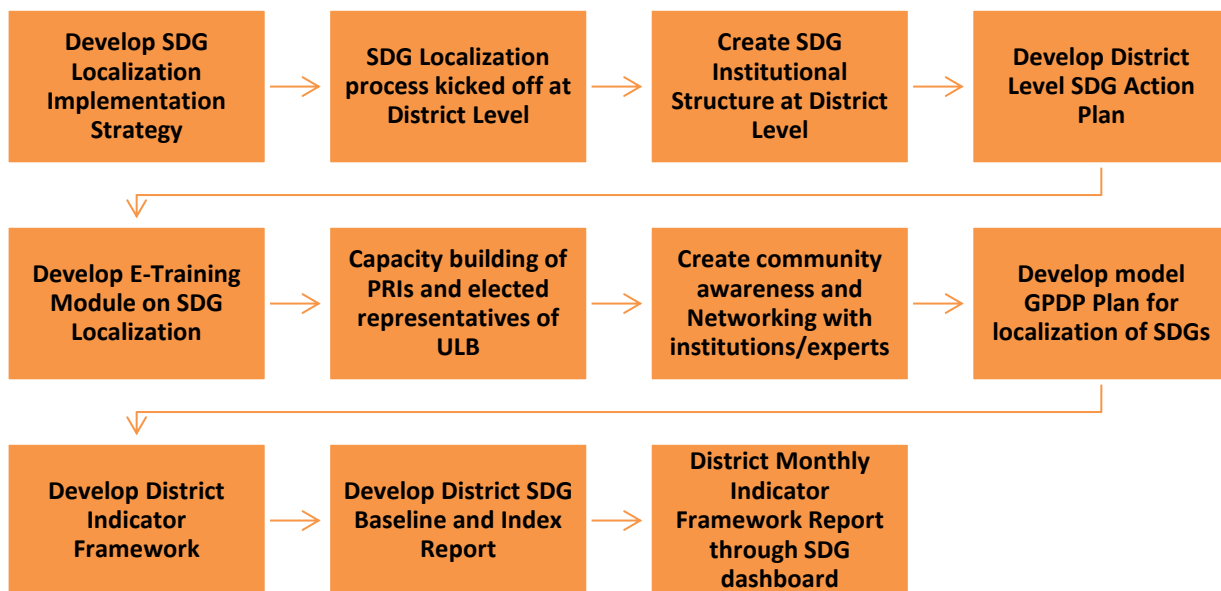

## SDG LOCALIZATION

## OBJECTIVES OF SDG LOCALIZATION STRATEGY

## SDG LOCALIZATION APPROACH

## SDG LOCALIZATION MATRIX

**GOAL - Create an enabling environment for SDG localization at local level by integrating SDGs into local developmental plans, establishing strong monitoring mechanism and building strong partnerships.**

<b>Objectives</b>	<p><b>Objective 1</b> Establish institutional mechanism for ensuring localization of SDGs into District developmental plans and policies</p>	<p><b>Objective 2</b> Develop integrated and inclusive local development plan to upgrade quality of GPDP Process at Gram Panchayat Level by linking SDGs</p>	<p><b>Objective 3</b> Create Strong and Sustainable Institution for localizing SDGs through institutionalizing training manuals / materials</p>	<p><b>Objective 4</b> Strengthen SDG monitoring mechanism at District Level to plan, implement and monitor developmental activities</p>
-------------------	--	--	---	---

<p style="text-align: center;"><b>Input</b></p>	<ol style="list-style-type: none"> <li>1. Meeting with District Administration and Department of Planning on localization of SDGs</li> <li>2. Meeting with Heads/Representatives of District Departments</li> <li>3. Organize State Level Conclave for DCs</li> </ol>	<ol style="list-style-type: none"> <li>1. Mobilization and awareness generation</li> <li>2. Develop panchayat indicator framework</li> <li>3. Assessment of priority indicators</li> <li>4. Meeting with community members, women, youth and Vulnerable groups</li> <li>5. Encourage open and participatory process in the development of plans/policies at local level</li> </ol>	<ol style="list-style-type: none"> <li>1. MoU with SIRD</li> <li>2. Consultation with core members of SIRD and SDGCC</li> <li>3. Develop outline of training manual</li> <li>4. Meeting with RD for creating District Resource Persons Pool</li> </ol>	<ol style="list-style-type: none"> <li>1. Finalize indicators for DIF and SDG Index</li> <li>2. Develop concept note for SDG District Index</li> <li>3. Mobilization and awareness</li> <li>4. Collect and collate data from secondary sources</li> </ol>
<p style="text-align: center;"><b>Output</b></p>	<ol style="list-style-type: none"> <li>1. SDG Localization Programme rolled-out and District SDG Cell notified</li> <li>2. Training/workshop held for members of District SDG Cell</li> <li>3. Meetings held with Heads/Representatives of District Departments for developing 4SAPs</li> <li>4. State Level Conclave for DCs organized to develop localization strategy</li> <li>5. Meeting with Block level officials for developing Block Level SDG Action Plan</li> </ol>	<ol style="list-style-type: none"> <li>1. Training/workshops for PRI members/Panchayat Secretaries held on SDGs</li> <li>2. Gram Sabhas for developing GPDPs held</li> <li>3. GPDPs aligned with SDGs developed for panchayats</li> </ol>	<ol style="list-style-type: none"> <li>1. Consultations held with SIRD for developing SDG training manuals</li> <li>2. Meetings with Department of Rural Development and Panchayats held for finalization of the manual and its execution</li> <li>3. Training of trainers organized for key officials who will in turn train PRI members for integrating SDGs into GPDPs</li> </ol>	<ol style="list-style-type: none"> <li>1. Meetings/consultations with ESO and Department of Planning to finalize indicators for DIF</li> <li>2. Meeting with Department of Planning to finalize SDG Index Report</li> <li>2. State Level Programme for launching SDG Index Report</li> </ol>
<p style="text-align: center;"><b>Outcome</b></p>	<ol style="list-style-type: none"> <li>1. District SDG Cell set up in all districts</li> <li>2. Members of District SDG Cell are aware about SDG localization and implement in policies and programmes</li> <li>3. 4SAPs of each District Department (on pilot basis) developed for one district</li> <li>4. Block level action plan is developed</li> </ol>	<ol style="list-style-type: none"> <li>1. Identified villages developed as model SDG villages</li> <li>2. Identified villages developed inclusive plan through aligning SDGs so that no one is left behind</li> </ol>	<ol style="list-style-type: none"> <li>1. Developed SDG Localization training manual to train PRI members</li> <li>2. PRI members have improved skills in developing GPDPs aligning with SDGs</li> <li>3. District SDG Resource Persons pool notified and developed</li> </ol>	<ol style="list-style-type: none"> <li>1. District Indicator Framework Developed</li> <li>2. District Baseline Report Developed</li> <li>3. District SDG Index Report developed</li> <li>4. Districts have taken necessary action on priority development areas.</li> <li>6. DMIF Report prepared</li> <li>5. State has taken necessary action to ensure developmental needs and address challenges</li> </ol>

<b>Impact</b>	District localization strategy is developed and executed in all districts of Punjab	State Government replicates the model in other GPDPs	Qualities of GPDPs are strengthened through continuous training and capacity building	Thrust to mainstream SDGs into on-going programmes and strategic action plans for sustainable development and to identify priority areas where special attention and resources can be invested
